MAC is coming – Feb 16-19, 2010

From February 16-19, 2010, HBA will be hosting the 34th Mainland Advisory Council (MAC) meeting.

The meeting will be held at the Hilton Hawaiian Village Resort and Spa.

Tuesday morning, the first graders will provide a musical presentation

On Wednesday, our MAC members will be bused to the Elementary School where they will

have lunch, hosted by our parents. Then they will get to visit various classrooms.

Thursday, they will visit the High School and attend the morning worship, tour the school and have lunch with their student hosts. Special presentations from the science, art, and music department will be provided.

Friday, Ho'omana will be featured as part of the morning program. A Friday evening Aloha Banquet will culminate the week. Soldiers of Light will

provide the evening's program.

We are very privileged to have MAC visit as this provides them with a wonderful opportunity to become re-acquainted with HBA and its purpose. They can see first hand what we are doing. It allows them a time to connect with the children who tell them the stories that touch their hearts.
